

FieldLazer™ Sports Field Striper

The Ultimate Field Striping Solution

PROVEN QUALITY. LEADING TECHNOLOGY.

FieldLazer

In 1990 Graco introduced LineLazer™, the innovative airless stripping system that revolutionized the pavement marking industry. Over the years, LineLazer's airless spray technology has been recognized by professional sports facilities and major colleges as the superior solution in field striping. Now, Graco has the best striper designed for field marking applications – FieldLazer.

Spray stencils or large solid area.

Paint circles and arches.

Stripe long, straight lines.

Easy Out™ Filter strains paint to make clogging a thing of the past.

No-tools gun removal for easy spraying of numbers, logos and other field markings.

No-tools adjustment makes line width changes fast and easy — stripe 2 to 12 inch lines in a single pass.

Fold-down handle for easy transport in minivans, SUVs, even pickups with toppers!

PRODUCT SPECIFICATIONS:

| DESCRIPTION | PART NUMBER | ENGINE | MAX GPM (LPM) | MAX PSI (BAR) |
|-------------|-------------|----------------------|---------------|---------------|
| FieldLazer | 248942 | 35cc Honda® 4-Stroke | 0.50 (1.9) | 900 (62) |

SPRAY TIP SELECTION:

| LINE WIDTH | SPRAY TIP | STENCILING & LINE WIDTH | SPRAY TIP | LINE WIDTH | SPRAY TIP |
|------------|-----------|-------------------------|-----------|------------|-----------|
| 2" | LL5217 | 4-8" | LL5421 | 8-12" | LL5627 |

Innovative Features at Work...

Exclusive Features for Sports Field Marking

- Airless technology for spraying higher concentrations of paint – delivering brighter, longer-lasting lines
- Cart designed to hold 5-gallon pail for direct siphoning of paint from original container, eliminates the hassle of cleaning tanks and pots
- Tall wheel cart is lightweight and rolls easily over rough terrain
- Dual hose wrap system

Easy Reach Controls

- Operator controls are located right on the handle for ease of use
- Safety shut-off switch for quick shut down
- QuikSelect™ Gun Selector System

Durable, Lightweight Design

- Only 80 lbs (36 kg) makes it easy to load and unload in all conditions
- Built to take years of uninterrupted use

Leave the Heavy Work to the Players

- Max working pressure of only 900 psi (62 bar) prevents high pressure root and grass damage
- Exclusive tall-wheel cart rolls easily over ruts and cleat marks, resulting in less operator fatigue and straighter lines

High-Efficiency Honda® Engine

Lightweight, compact design delivers superb fuel economy and quiet operation

High Performance Piston Pump

Field-proven, long-life design for uninterrupted use

Accessories

30" Tip Extension

243298

Attaches to the end of the FieldLazer spray gun for more comfortable stencil applications.

Gun Arm Extension

287591

Use to place the spray gun further forward for striping directly up to wet lines, goal posts and other obstacles.

Line Stripers

FieldLazer

Ideal for all your sports field marking applications.

LineLazer 3400

Ideal "cross-over" unit for striping both parking lot and sports field applications.

LineLazer IV 3900

Great for continuous heavy-duty striping environments.

LineLazer IV 5900

High-performance choice for large city and county projects.

LineLazer IV 200hs

High-production choice for large city, county and airport projects.

LineDriver™

Innovative ride-on attachment that converts walk-behind stripers to a high-production ride-on system.

ABOUT GRACO

PROVEN QUALITY. LEADING TECHNOLOGY.

Founded in 1926, Graco is a world leader in fluid handling systems and components. Graco products move, measure, control, dispense and apply a wide range of fluids and viscous materials used in vehicle lubrication, commercial and industrial settings.

The company's success is based on its unwavering commitment to technical excellence, world-class manufacturing and unparalleled customer service. Working closely with qualified distributors, Graco offers systems, products and technology that set the quality standard in a wide range of fluid handling solutions. Graco provides equipment for spray finishing, protective coating, paint circulation, lubrication, and dispensing sealants and adhesives, along with power application equipment for the contractor industry. Graco's ongoing investment in fluid management and control will continue to provide innovative solutions to a diverse global market.
