

**BREAKTHROUGH  
TECHNOLOGY  
IN PRESSURIZED  
GLASS BEAD  
APPLICATION**

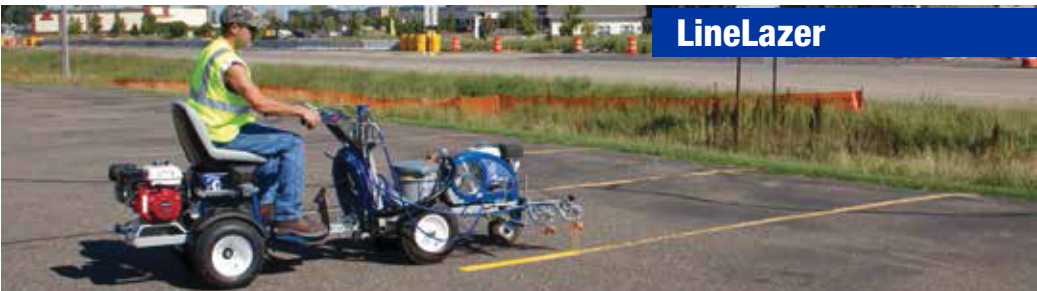

Since 1990 Graco's LineLazer airless line striping systems have led the pavement striping industry.

The LineLazer family of strippers has constantly been improved to meet the changing needs of the pavement marking industry, each time delivering substantial benefits to the professional striping contractor.

Graco offers world-class pavement solutions that are built in the U.S.A.

# EZ Bead™ Pressurized Bead System

Introducing the *Next Evolution* in glass bead application...

Graco introduces its all new, most innovative pressurized bead system for professional striping contractors. Once again Graco has delivered industry innovation with the EZ Bead Pressurized Bead System. From the all new 120 lb clear Bead Tank System down to the Adjustable Bead Flow Deflector, Graco has taken the *pressure off* of applying beads on airports, cities and roadways – all with industry-proven LineLazer striping units.

## Features & Benefits

- 1 Graco Bead Tank – 120 lb clear bead tank allows user to monitor bead level at all times. *Poly tank will never rust!*
- 2 Graco Bead Gun – Industry-proven design for over 15 years.
- 3 Graco Paint Gun – Flex gun is highly reliable for perfect lines.
- 4 Gast™ Mechanical Compressor – Industry-leading compressor withstands rugged operating conditions.
- 5 Graco Air Tank – Precision design. Maximum 90 psi feeds the bead tank and guns with air to spare!
- 6 EZ Fill Funnel – Simple and easy to use when refilling tank.
- 7 Paint Gun Stencil Kit – Includes: (1) Paint Gun and 1/4 in x 50 ft Hose and Mounting Brackets (For use with LineLazer IV 200<sub>HS</sub> and LineLazer IV 250<sub>SPS</sub> units only.)
- 8 Bead Gun Stencil Kit – Includes: (1) Bead Gun, (2) 3/4 in x 24 ft Clear Hoses, .234 in/ 35° Tip, 1 ft Extension Tube, Mounting Brackets (For use with LineLazer IV 200<sub>HS</sub> and LineLazer IV 250<sub>SPS</sub> units only.)
